

## TOWN OF AMENIA TOWN BOARD

---

4988 Route 22, AMENIA, NY 12501  
(845) 373-8860 [www.amenia.gov](http://www.amenia.gov)

August 2, 2018  
Supervisor's Report

1. **Wassaic Trail to the Train Update** –waiting for additional documentation from Wassaic Auction Barn property owners so paperwork can be filed with the Dutchess County Clerk's office and approval received from the DOT for bidding process to begin
2. **Town of Amenia Highway Garage Land Update – The Declaration of Abandonment** was sent to DEC by the OGS for their Commissioner to sign.
3. **Amenia Town Hall 1<sup>st</sup> Floor Repairs** – The original toilet overflow in addition to septic overflow that spread over the floor of the men's room downstairs and into the hall led to the replacement of at least five pipes that because of age the openings in them were reduced. In addition there was mold remediation required in the courtroom and holding room next to it from an open septic pipe under the judge's desk in the courtroom that also sent septic waste there flooding the courtroom and holding room floors. A sink and the water pipes from it were also removed from the holding room. Both rooms had to be painted in addition to the open septic pipe capped, wood flooring removed, cement under it repaired, vapor barrier and then plywood put down before Armstrong plank flooring was installed.
4. **Noise Law Update** – The Noise Law Update upon authorization from the Town Board will be sent to the attorney with all comments received from the public for review and discussion before it will be presented again.
